Content : looking back at the trip

I met different people and had fabulous experiences in this short two weeks. It's the from now that counts, I try hard without forgetting this experiences. Finally, thank you for much supports in Japan and New Zealand, and wonderful experience. (Girl, 12<sup>th</sup> grades, Miyagi)

(To go out with my buddy) we checked the bus, but we mistook the bus stop in the end. However, we could spend a nice and exciting time because experienced doing by ourselves. ( Girl, 12th grades, Miyagi )

By getting myself excited my previous childish thought because of the huge difference between from New Zealander and Japanese, it was nice thinking about my future and what I should do now. (Boy, 10<sup>th</sup> grades, Miyagi)
